

DENIM FORM

Guida alla compilazione della Denim Form

Questa dichiarazione deve essere allegata dal mittente per tutte le spedizioni di articoli finiti e/o confezionati in tessuto denim destinate negli Stati Uniti.

La dichiarazione deve essere allegata indipendentemente dal valore della spedizione. Se questa supera i 5 USD di valore si dovrà compilare anche la Single Country Declaration.

Se si tratta solo di campioni o tagli di tessuto denim, la dichiarazione NON è necessaria.

La Denim Form deve essere fornita al mittente dal produttore del tessuto.
